## Care Services Designed Just for You

### Care Calls by Emoha Daughter

At the core of our services are our Emoha Daughters, who will make your life hassle-free, helping you with technology, setting up doctors' appointments and much more. As an IndusInd debit card holder, you'll enjoy the benefit of receiving regular fortnightly care calls from an Emoha Daughter, to check-up on your well-being, celebrate key moments of your life, and much more!

### Your Health Records at Your Fingertips

The Emoha app provides you with a secure health record feature where you can easily upload and manage your records anytime, anywhere. Electronic records can enhance care by providing quick access to health histories, thereby improving accuracy in diagnoses and facilitating better coordination among healthcare providers.

### Access Senior-only Online Shows with Ease

Join our community of enthusiastic seniors on the Emoha app and watch a wide range of interactive senior-only virtual shows like daily yoga, doctor talks, music clubs and more. Stay active with our Zumba classes, find peace with our meditation shows or shake-a-leg with our weekly musical evenings. Our engaging events are all about making sure that every senior gets to enjoy their golden years with lots of love and companionship, living their best life with interactive virtual shows, clubs and birthday celebrations.
